Saint James School
Rising 6th Grade Math Summer Assignments

Suggested Math: Math practice is strongly suggested for all students in order to keep skills sharp. Using **MobyMax Math** or **Reflex Math**, practice math for at least 30 minutes per week. Students who complete this math practice will be awarded extra credit toward their 1st trimester grade.

Students who do not have internet access or who prefer to work on paper may purchase the workbook that is suggested for their specific math class and complete the practice for extra credit. Answer key is at the back of the book. Prices range from $12-$24.
