

Milk Orders
2023 - 2024 School Year

Dear Parents,

For milk orders, there will be a one-time annual fee of \$100.00 for the entire school year. Due to gas prices, production costs, a nationwide shortage of truckers and packing materials, the price of milk is higher this school year.

Please complete this form (**one form for each student**) and return it to the school with the payment addressed to the cafeteria. Please write the check out to **St. James School** for \$100.00.

STUDENT NAME: _____

GRADE: _____

CLASSROOM: _____

Milk options: (Please indicate choice):

2% White

Chocolate
