

Using the Assessment

page 339

Explain that the three items in the left column are based on the grid. Read the directions for items 1–7 aloud one at a time.

1. Use the grid above. Which tells where the circle is on the grid? *Fill in the circle under the correct answer.*

Remind children to move down the column to locate item 2.

2. Use the grid above. Which tells where the rectangle is on the grid? *Fill in the circle under the correct answer.*
3. Use the grid above. Which tells where the triangle is on the grid? *Fill in the circle under the correct answer.*

Have children locate item 4 at the top of the second column.

4. Which figure shows a line of symmetry? *Fill in the circle under the correct answer.*
5. Which figure has the same shape as the one shown? *Fill in the circle under the correct answer.*
6. Which figure has the same size as the one shown? *Fill in the circle under the correct answer.*
7. Which number pattern matches the shape pattern? *Fill in the circle under the correct answer.*
