

# MUST DO and CAN DO – MAY 25 – 29

## TUESDAY, MAY 26

Here are some things for the children to prepare before the Zoom meeting:

1. Draw or write one thing they liked about the first grade in school.
2. Draw or write one thing they liked about the first grade at home.

Here is how the meeting will go:

Each child will have 2 minutes to present their drawing or read their sentence.

Then, we will have a dance party for 10 - 15 minutes. My hope is to feature those that would like to share their dance moves.

Please let me know if you have any questions.
